

1 assigned four crews, so I cover those four crews, but
2 I also cover whoever comes in and out of
3 San Francisco and Oakland.

9 A No.

10 Q When you are assigned to these four crews --
11 using going to Arizona as an example -- would you
12 supervise them by watching videotape of the game?

13 MR. LUPION: Object to the form.

14 You can -- you can answer.

15 THE WITNESS: I use the videos a number of
16 times after my games to look at plays, some positioning.

19 four crews, is it true that you only see them when they
20 come to San Francisco and Oakland?

21 A No. I could -- if they're not scheduled to
22 come in, for example, I could see them in Texas or
23 pretty much on the west coast.

24 You know, I don't really travel back east at
25 all, but when they're out west here...
